Visual Selling Creative Genius

Creating professional visual content to help clients find and engage your real estate business can be time-consuming, and employing designers can be expensive.

What if you had a DIY design platform full of thousands of pre-designed templates created by design professionals to make your life easier.? In this simple-to-follow training, you will learn the basics of visual story-telling via a free platform made for beginners and novices that is transforming the world.

Specifically, we will cover how to:

- Create a free account
- Design with creative real estate templates that stand out
- Showcase your listings in the best possible light
- Upload & use photos
- Upload and access your logo, brand colors, and fonts
- Save, share & collaborate on designs
- Easy one-click resizing from any document type to Facebook, Instagram, LinkedIn & more
- Create social posts and banners
- Design multiple other design elements
